*Congratulations to everyone who participated in our inaugural art show! We are so excited to introduce this new addition to Texas Equine, and we're truly inspired by the creativity, talent, and heart behind each piece. It was such a joy to see your work come to life. Award packages will be mailed the week of May 1st. Thank you to all of our participants for being part of this special event—we can't wait to continue growing this experience together!*

*Be sure to start thinking about what amazing pieces you'll enter next—our next art show will be held this August, and we can't wait to see what you create!*
